Dear All Parties of Record and Counselors:

In response to the email of Ms. Riggin, this email came in while I was on family medical leave yesterday afternoon due to an emergency and had limited to no access to email or electronic transmission. Although I continue to be on leave through today, I checked emails this morning prior to entering the no or blocked signal zone and I discovered the email of Ms. Riggin. In accordance with South Carolina Code Section 58-3-260, and the Commission's Ex Parte Communications Guidelines, I am providing all parties of record in this Docket with a copy of the Email so that they are aware of the communication. The email will also be posted on the DMS to prevent any inadvertent ex parte communication with Commission Staff where all parties were not copied on the same. Other than the response email with all parties included this morning, there has been no communication with Ms. Riggin by me or Commission staff, nor any response to any communication from Ms. Riggin by Commission staff or me. Such communications would be in violation of Commission policy and procedures for Commissioners and Commission Staff, as well as potentially in violation of South Carolina statute.

Thank you, Ms. Riggin. The information shall be posted on the DMS and the Clerk's Office will make the change requested upon your reply email to ALL PARTIES indicating the correct email address for DNR is [bobertzS@dnr.sc.gov](#) and to remove your individual email address of [RigginL@dnr.sc.gov](#)

All parties it is requested that you make note of this change. Ms. Riggin, if I have incorrectly interpreted your email, please respond with REPLY TO ALL on the correction needed as soon as possible. Otherwise, the change noted above will be deemed an accurate reflection of your request. Thank you.

With kind regards, I am

C. Jo Anne Wessinger Hill

Good afternoon Joanne,

I am currently listed as the contact to receive these notifications for the Director of the agency, but it appears I may have been added again under my name as well so that I am now getting two sets of the same notifications from the PSC. Can you remove me formally under Lorianne Riggin, but leave my email address as the contact for Robert Boyles?

For now, I am confirming receipt under both until this issue is resolved.

Thanks,
Lorianne
